- A. **PUBLIC HEARING** and Consideration of Application Submitted by Daris Gibbons on Behalf of Medieval Mayhem Historical Arts Foundation for Special Event Liquor License for 2024 Medieval Mayhem Renaissance Faire on July 12, 13, and 14, 2024 at Frontier Fields (Rachael Hall)

Ms. Hall said Daris Gibbons submitted an application for a special event liquor license for the 2024 Medieval Mayhem Renaissance Faire at Frontier Fields, scheduled for July 12, 13 and 14, 2024.

Ms. Hall said the license would allow the Medieval Mayhem Renaissance Faire to sell alcohol during the event. An existing six-foot chain-link fence surrounded Frontier Fields, where the alcohol would be sold and consumed.

Ms. Hall said one entrance/exit gate would be open for participants to enter and leave the area. This gate would be staffed by at least four and up to six uniformed security personnel provided by the Navajo County Sheriff's Auxiliary and Arizona Rangers to ensure no alcoholic beverages enter or leave the fenced-in premises. Along with the Arizona Rangers, the Sheriff's Auxiliary would roam the field to provide additional security when available.

Ms. Hall said the Show Low Police Department performed a background check on the applicant and found nothing that would preclude approval of this special event liquor license. The application and action taken by the Council would be forwarded to the Department of Liquor Licenses and Control. Unlike regular liquor licenses, the Council's decision was final for such an application.

Mayor Leech opened the matter for a public hearing.

There being no input, Mayor Leech closed the public hearing.

Ms. Hall said Sunshine Marne Brewer, representing the Show Low Chamber of Commerce, submitted an application for a special event liquor license for the 2024 Show Low Days at Frontier Fields, scheduled for June 7 and 8, 2024.

Ms. Hall said the license would allow the Show Low Chamber of Commerce to

sell alcohol during the event. An existing six-foot chain-link fence surrounded Frontier Fields, where the alcohol would be sold and consumed.

Ms. Hall said one entrance/exit gate would be open for participants to enter and leave the area. It would be staffed by security personnel provided by Arizona Rangers to ensure no alcoholic beverages enter or leave the fenced-in premises (marked "Pub Bar" on the map accompanying the application). The Arizona Rangers would roam the field to provide additional security when available. The northeast corner of Frontier Fields would house the kids' zone, and no alcohol would be allowed there.

Ms. Hall said the Show Low Police Department performed a background check on the applicant and found nothing that would preclude approval of this special event liquor license. The application and action taken by the Council would be forwarded to the Department of Liquor Licenses and Control. Unlike regular liquor licenses, the Council's decision was final for such an application.

Mayor Leech opened the matter for a public hearing.

- C. Consideration of Approval of Additional Full-Time Recreation Coordinator in Recreation Division of Community Services Department (Jay Brimhall)

Mr. Brimhall said three full-time employees currently organized and coordinated all events, community programming, youth sports, and adult sports for the City of Show Low.

Mr. Brimhall said that last year, staff discussed asking the City Council to consider hiring a new full-time recreation coordinator for the Recreation division to expand programming opportunities for patrons.

Mr. Brimhall said for the upcoming fiscal year (FY) 2025, staff requested this new full-time staff position in the FY2025 budget. He said that at the budget meeting on April 18, 2024, the City Council said they understood the need for this position and instructed staff to request this new full-time Recreation Coordinator at a future City Council Meeting using Council Contingency funds to get a head start on the Recreation Division's busy summer season.

Mr. Brimhall said that, following the Council's recommendation, staff was

requesting an additional full-time recreation coordinator in FY2024 and Council Contingency dollars to fund the position prior to the position's FY2025 budget approval in June 2024.

Councilman Clark asked if it was unrealistic to think this new staff member would hit the ground running so that additional events could be added this summer. Mr. Brimhall said he was ambitious and confident the department would hire a strong person. While he was not going to promise that additional events would be added this summer, he and his staff would do everything they could to do so.

Councilman Clark asked if the City offered a competitive salary for the position. Mr. Brimhall said there were discussions about the salary offered, and it was in the ballpark.

- D. Consideration of Award of Contract for Senior Field Bleachers Rehab, City of Show Low Project No. FM-0824 (Rick Austin)

Mr. Austin said the Senior Field Bleachers had fallen into disrepair from years of heavy use. After consulting with local concrete contractors, the following repairs were recommended to get the most complete and durable repair: sandblast all surfaces, provide 3.5 inches of new concrete cap, make all necessary repairs on the face block, supply a new mortar wash when repairs were completed, and paint all handrails. On March 15 and 19, 2024, an Invitation to Bid was published in the White Mountain Independent to rehab the Senior Field Bleachers. Two companies attended the Mandatory Pre-Bid Conference on March 27, 2024. These same two companies submitted bids with the following results:

| <u>Contractor</u>               | <u>Total Bid</u> |
|---------------------------------|------------------|
| LD&B, LLC                       | \$174,502.00     |
| Conco Concrete Specialists, LLC | \$211,180.00     |

Councilman Adams asked what year the existing bleachers were installed. Mr. Austin said he did not know the year the bleachers were installed, only that they had been there for many years.

Mayor Leech asked if the bleachers' height would change. Mr. Austin said the overall height would increase by 3.5 inches.

**COUNCILMAN ADAMS MOVED TO AWARD THE REHAB CONTRACT FOR THE SENIOR FIELD BLEACHERS, CITY OF SHOW LOW PROJECT NO. - E. Consideration of Award of Construction Contract for 2024 Slurry Seal Project, City of Show Low Project No. R-7924 (Shane Hemesath)

Mr. Hemesath said the 2024 Capital Improvement Plan included funding for the 2024 annual slurry seal project. The City's pavement preservation plan included a minimum maintenance of crack-filling, patching, and resurfacing every City street and parking lot with a slurry seal every six years. City crews were currently crack-filling and patching repairs to the areas identified for slurry sealing this year.

Mr. Hemesath said rehabilitation included furnishing all labor, equipment, and materials required to place approximately 276,000 square yards of type II polymer-modified asphalt slurry seal on selected City streets and replacing the roadway pavement markings after the slurry seal placement.

Mr. Hemesath said the engineer's construction cost estimate was \$550,000.00. The invitation to bid was published as required, and sealed bids were opened publicly, with the following results:

| <u>Contractor</u>                  | <u>Total Bid</u> |
|------------------------------------|------------------|
| American Pavement Preservation     | \$493,052.00     |

Mr. Hemesath said staff recommended awarding the 2024 Slurry Seal Project, City of Show Low Project No. R-7924, to American Pavement Preservation, in an amount not to exceed \$493,052.00.

Mayor Leech asked if the City worked with American Pavement Preservation last year. Mr. Hemesath said no; last year, the City worked with VSS International, but the City had worked with American Pavement Preservation a lot in the past.

**VICE MAYOR KAKAVAS MOVED TO AWARD THE CONSTRUCTION**

**CONTRACT FOR THE 2024 SLURRY SEAL PROJECT, CITY OF SHOW LOW PROJECT NO. - F. Consideration of Award of Construction Contract for 2024 Citywide Roadway Improvements, City of Show Low Project R-6724 (Shane Hemesath)

Mr. Hemesath said the City's fiscal year 2024 Capital Improvements Plan budget included \$465,000.00 for a roadway improvement project labeled "West Owens and 30th Avenue" and \$531,000.00 for a roadway improvement project labeled "North 22nd Avenue and Kartchner". The scope of work included the reconstruction of 9,500 linear feet of roadway, including portions of West Owens, South 30th Avenue, North 22nd Avenue, and East Kartchner. The work included the pulverization of approximately 25,000 square yards of existing asphalt roadway, recycling and mixing existing asphalt millings into the existing base, subgrade preparation and compaction, reshaping the roadway grade, installing new asphalt pavement overlay, re-establishing roadway shoulder, installing minor drainage improvements, and adjusting water valves and manholes. The two projects were combined to reduce redundant construction costs and gain economy of scale for the projects.

Mr. Hemesath said the City's engineering staff designed the project with a construction estimate of \$985,000.00. The project was publicly bid according to statutory requirements with the following results:

| <u>Contractor</u>                  | <u>Total Bid</u> |
|------------------------------------|------------------|
| Hatch Construction and Paving Inc. | \$999,910.00     |
| PAP LLC                            | \$1,035,415.00   |

| Western Grade LLC                  | \$1,271,859.00   |

Mr. Hemesath said staff recommended awarding the construction contract for the Citywide Roadway Improvements 2024, City of Show Low Project No. R-6724 to Hatch Construction and Paving Inc. in an amount not to exceed \$999,910.00 and authorize the associated budget transfers.

Councilman Judd asked why some of the contractors who bid on this project did not bid on the Slurry Seal project. Mr. Hemesath said most slurry contractors focused on slurry sealers and not other road work.

**COUNCILMAN JUDD MOVED TO AWARD THE CONSTRUCTION CONTRACT FOR THE CITYWIDE ROADWAY IMPROVEMENTS 2024, CITY OF SHOW LOW PROJECT NO. R-6724 TO HATCH CONSTRUCTION AND PAVING INC. IN AN AMOUNT NOT TO EXCEED \$999,910.00 AND**

- G. Consideration of Adoption of Resolution No. R2024-15 Approving Abandonment of Right-of-Way and Acceptance of the Proposed Scott Ranch Road Right-of-Way (Shane Hemesath)

Mr. Hemesath said at the April 16, 2024, Regular Meeting that the City Council approved an intergovernmental agreement with the Arizona Department of Transportation (ADOT) for the Scott Ranch Road Design Project. The project included completing the final design documents for the roadway extension between Show Low Lake Road and Penrod Road, final bridge design documents, and environmental clearance to perform the work. ADOT awarded the design consultant contract for the work to Kimley-Horn.

Mr. Hemesath said that prior to starting the final design of the roadway extension, the property owner that surrounded the existing Scott Ranch Road Right-of-Way between Show Low Creek and Penrod Road approached the City and requested an adjustment to the roadway Right-of-Way, moving it slightly north. The proposed alignment would work better with their future development property and provide a better intersection location at Penrod Road. The City reviewed the proposed alignment and approved the revised location.

Mr. Hemesath said staff recommended adopting Resolution No. R2024-15, abandoning the existing public Right-of-Way for Scott Ranch Road, accepting the proposed public Right-of-Way for Scott Ranch Road, and authorizing the Mayor to sign all necessary documents.

Mayor Leech asked how far the roadway was moved. Mr. Hemesath said it was moved about 400 feet to the north.

**VICE MAYOR KAKAVAS MOVED TO ADOPT RESOLUTION NO. R2024-15 ABANDONING EXISTING PUBLIC RIGHT-OF-WAY FOR SCOTT RANCH ROAD AND ACCEPT THE PROPOSED PUBLIC RIGHT-OF-WAY FOR SCOTT RANCH ROAD, AND AUTHORIZE THE MAYOR TO SIGN ALL NECESSARY DOCUMENTS; SECONDED BY MAYOR LEECH; PASSED 7 TO 0 WITH MAYOR LEECH, VICE MAYOR KAKAVAS, COUNCILMAN ADAMS, COUNCILMAN CLARK, COUNCILMAN HATCH, COUNCILMAN JUDD, COUNCILMAN WHIPPLE VOTING IN FAVOR.**

- H. Consideration of Award of Contract for Wastewater Facilities Master Plan, City of Show Low Project No. S-4724 (Bill Kopp)

Mr. Kopp said the 2024 City of Show Low budget included funding for a Wastewater Facilities Master Plan. The last Master Plan was performed in 2006 and was outdated. The project scope included a Wastewater Facilities Master Plan report, a system hydraulic model, a system evaluation, an assessment of

future needs, capital project planning, budget estimates, and other elements required to provide a complete and compressive document.

Mr. Kopp said City staff prepared a Request for Qualifications, which was advertised according to the statutory requirements. Three Statements of Qualifications (SOQ) were received. A selection committee evaluated the SOQs, and in-person interviews were held. The committee selected Sunrise Engineering, LLC. He said Sunrise Engineering was a recognized leader in the Arizona market. They recently completed master plans in Casa Grande, Kingman, and Queen Creek.

Mr. Kopp said staff recommended awarding Sunrise Engineering LLC the contract for the Wastewater Facilities Master Plan, City of Show Low Project No. S-4724, in an amount not to exceed \$198,500.00.

**COUNCILMAN ADAMS MOVED TO AWARD THE CONTRACT FOR WASTEWATER FACILITIES MASTER PLAN, CITY OF SHOW LOW PROJECT NO. - I. Consideration of Award of Construction Contract for 12-Inch Slipline Installation, City of Show Low Project No. FM-6824 (Bill Kopp)

Mr. Kopp said the 2024 City of Show Low Budget included funding for installing a liner pipe inside an existing 30-inch pipe. The purpose of the project was to repair the existing leaking pipe that was constructed in the 1950s. The work included installing approximately 4,100 linear feet of heat-fused SDR11 PE100 pipe in an existing 30-inch concrete pipe. The existing 30-inch carrier pipe alignment had a single deflection angle point of approximately 28 degrees, located approximately 2,470 linear feet from the lake intake. He said the carrier pipe ran from the intake pump facility at Show Low Lake and extended to the outfall at an existing irrigation canal. Upon award of the contract, the contractor was required to provide a work plan detailing the receiving pits' location and engineering/manufacture calculations showing the pull lengths. The contractor would also provide the pipe terminations at the intake and outfall per the project specifications. All work would be performed within the existing easements.

Mr. Kopp said city staff prepared a request for bids. The request was advertised according to the statutory requirements. Four bids were received as follows:

| <u>Contractor</u>                      | <u>Total</u> |
|----------------------------------------|--------------|
| Apache Underground and Excavation, LLC | \$252,800.00 |
| Conco Concrete Specialists, LLC        | \$329,000.00 |
| Hylan West, Inc.                       | \$342,655.88 |
| R Blume Underground, Inc.              | \$369,671.48 |

Mr. Kopp said staff recommended awarding the construction contract for the 12-inch Slipline Installation, City of Show Low Project No. FM-6824 to Apache Underground and Excavating, LLC, in an amount not to exceed \$252,800.00.

Vice Mayor Kakavas asked if any earthwork would be done with this project. Mr. Kopp said there would be receiving pits, a pretty deep excavation at the outfall end where the pipe went into the irrigation ditch, and another excavation where the pipe work connected at the pump station at the end of the lake.

Vice Mayor Kakavas asked if the staff was concerned about the need for blasting or rocks. Mr. Kopp said no because there would not be any rock in those areas because everywhere that digging was needed had already been excavated for the original installation.

**COUNCILMAN WHIPPLE MOVED TO AWARD THE CONSTRUCTION CONTRACT FOR THE 12-INCH SLIPLINE INSTALLATION, CITY OF SHOW LOW PROJECT NO. FM-6824 TO APACHE UNDERGROUND AND EXCAVATING, LLC IN AN AMOUNT NOT TO EXCEED \$252,800.00; SECONDED BY COUNCILMAN HATCH; PASSED 7 TO 0 WITH MAYOR LEECH, VICE MAYOR KAKAVAS, COUNCILMAN ADAMS, COUNCILMAN CLARK, COUNCILMAN HATCH, COUNCILMAN JUDD, COUNCILMAN WHIPPLE VOTING IN FAVOR.**
